The Girls Inc. Experience consists of people, an environment, and programming that, together, empower girls to succeed. Trained staff and volunteers build lasting, mentoring relationships in girls-only spaces that are physically and emotionally safe and where girls find a sisterhood of support with shared drive, mutual respect, and high expectations. Hands-on, evidence-based programs provide girls with the skills and knowledge to set goals, overcome obstacles, and improve academic performance. With Girls Inc. in their corner, girls grow up healthy (STRONG), educated (SMART), and independent (BOLD).
