ABOUT US...

There are roughly 66,000 girls between the ages of 9 and 18 living in Westchester County. The Girls Inc. experience consists of *people*, an *environment*, and *programming* that, together, empower girls to succeed. Trained staff and volunteers build lasting, mentoring relationships in girls-only spaces that are physically and emotionally safe and where girls find a sisterhood of support with shared drive, mutual respect, and high expectations. Hands-on, evidence-based programs provide girls with the skills and knowledge to set goals, overcome obstacles, and improve academic performance. With Girls Inc. in their corner, girls grow up healthy (**STRONG**), educated (**SMART**), and independent (**BOLD**).

Help us to help Westchester girls explore and celebrate their strengths, their voices, who they are today, and who they will become. Thank you in advance for your generosity.
